

## **China Summer Volunteer Program and Leadership**

This new class is designed specifically for Xilin NW Chinese School's China Summer Volunteer Program. The main objective is to improve student's leadership, communication, and teaching skills.

Student must be in 8<sup>th</sup> grade or higher to be eligible for the class. Attending this class is a prerequisite for the China Summer Volunteer Program. We will invite professionals to lead the class and each student will have the opportunity to be the class teacher and sharpen their teaching, leadership, and communication skills through class activities.

Upon finishing the class, students can join the China Summer Volunteer Program. Student has the chance to go to Yangzhou, China in the summer and teach Chinese high school students English and American history, and share your daily life in the US etc. At the same time, our students will learn from them too, such as Chinese, Chinese history and culture, etc.

We strongly encourage all 8<sup>th</sup> grade and above students who are interested in the volunteer program to attend the class. We will help you to become the leader of your generation!
